A note on using the Kindle Paperwhite Experimental Browser

While you can get online to see the OverDrive website from your Kindle Paperwhite, you won’t be able to find books compatible for your Kindle or Kindle Paperwhite as you will if you browse OverDrive from the Internet on a computer.

When you visit overdrive.noble.net from the Experimental Browser on the Paperwhite, you will only be allowed to view and checkout ePub titles, which cannot be downloaded to your Kindle.

When you visit overdrive.noble.net from a computer you have the option to view all of the titles available in the Kindle format.

Questions about these formats and what it all means?

Returning a book before it's due

Books will automatically disappear and return themselves at the end of the borrowing period. However if you want to return a book before it's due follow the simple steps below.

1. Go to Amazon.com, from a computer
2. Sign into your account
3. Go to "Manage Your Kindle"
4. See list of books checked out
5. Click on "Actions" dropdown menu on right side
6. Select "Return this book"
7. Click on "Actions" dropdown again
8. Select "Delete from Library"

Amazon Kindle Quick Tips

Amazon will e-mail you when there are 3 days left for the loan; when the book is returned; or when the e-book loan period has expired

Library/Overdrive books are not delivered via a 3G connection, only over an active Wi-Fi connection (wireless internet).

Not in a Wi-Fi environment? No problem, you can also transfer books from your computer to your Kindle via a USB cable.
