Why Are We Here Tonight?

• Gather your opinions and ideas about what you want in your library and the option that would work for you;

• Take your ideas and sketch out a design that will serve as a library ready for the 21st century;

• Meet in January (2016) to summarize your thoughts and talk about the design considerations that could result.

Our Library, Our Tomorrow!
What Are Our Options?

• Renovate and expand existing library meeting MBLC funding criteria – parking and other guidelines

• Construct new building on Reedy Meadow parcel
