## Kids vs. Adults Reading Challenge

We're challenging the community to see who can read the most hours this summer - Adults or Kids!

Come in each week and tell the staff at the circulation desk that you want to add a link to the reading competition chain! Each link represents one hour of reading. You can add your name, the title of a book or simply leave the paper strip blank.

We'll be adding the links to the chain once a week and seeing just how far around the library we can wrap the chain. At the end of summer reading we'll tell you which group read the most.
