

Returns August 17, 2017. [Return now.](#)

### Returning an item before it's due

Movies, TV Shows, Music, eBooks, Comics, & Audiobooks will automatically disappear and return themselves at the end of the borrowing period. However if you want to return an item before it's due follow the simple steps below.

#### ***From My Hoopla section of the app...***

- you should see a list of items currently borrowed
- Tap the image of the cover for the item you wish to return
- Scroll all the way to the bottom of the screen (as far as you can on the page). You will see a returns date followed by the option to "Return Now" - the item is returned immediately - if you want to borrow again it will count against the number of titles left to borrow in the month.
