RETURN NOW

Returning an item before it's due

Movies, TV Shows, Music, eBooks, Comics, & Audiobooks will automatically disappear and return themselves at the end of the borrowing period. However if you want to return an item before it's due follow the simple steps below.

From My Hoopla section...

- you should see a list of items currently borrowed
- Click the image of the cover for the item you wish to return
- You will see a returns date followed by the option to "Return Now" - once clicked, the item is returned immediately - if you want to borrow again it will count against the number of titles left to borrow in the month.
