4. Fill out all fields to create a free account
Tip: Your password must be 7 characters long and include letters and numbers
5. Select Library Residence from the list:
Massachusetts - Lynnfield Public Library

NOTE:

The RB Digital app is required to read eMagazine issues on Android Tablet or Phone when you do not have Internet access or a WiFi connection.

(The app and magazines must be downloaded and checked out while Internet access is available)

Browse for & Checkout eMagazines:

1. In the RBdigital app the most current issues available are featured on the home screen.
2. Scroll from right to left to see all titles available
3. Tap checkout to borrow the most current issue, or tap on the cover to see a list all available back issues to checkout

Use the Menu to:

Change Download settings - Under settings select “Wi-Fi Only” to turn on or off Wi-Fi only downloads. You can also turn on/off automatic download of checked out titles in this section.

View History - See all issues ever borrowed, whether you still have them checked out/ downloaded or not

View Checked Out Issues - See all issues you currently have checked out.

- ⇒ Tap “READ” to read the issue on your device.
- ⇒ Tap on the cover for the option to Return, or tap on the “x” in the upper right hand corner of the cover

Download the RBdigital app for offline reading (For example, on an airplane when you are not connected to the internet):

1. Go to the Google Play store > Apps
2. Search for “**rbdigital**”, select **RBDigital**

3. Follow the prompts to download the free app
4. Open the “RBdigital” app
5. Login
 - i. Country = United States;
 - ii. Enter your RBdigital account email and password
6. Once logged in, your checked out titles are default to download automatically for offline reading.

No limit, permanent checkout - Check out as many issues as you want and keep them in your account as long as you wish

Current issues - New issues are released simultaneously with the print edition

Back issues - Back issues are available too, and are available to download anytime
