Programming Surveys

We want to hear from you! We are looking to freshen up our programming and want feedback from our community. Thinking about trying out a new hobby or learning a new skill? Desperate for more author talks or maybe a writing group? We might be able to help with that!

Please tell us what you'd like to see happening here and what times work best for you! You can fill out the Adult and Youth Services surveys online through our website or on paper at the library. Please return the surveys by January 10th.

Call 781-334-5411 or email aporter@noblenet.org with any questions or concerns. Thank you!
