What is RBdigital?

Streaming Video*

RBdigital features unlimited access to streaming movies, television shows, concerts, and documentaries as well as interactive wellness courses and standardized test prep.

The following streaming services are a part of RBdigital:

Entertainment

- AcornTV
- IndieFlix
- Qello Concerts

Education

- The Great Courses Library Collection
- Method Test Prep

Health & Wellness

- Learn It Live

***Streaming Video available through April 30, 2021.**

How to Create a RBdigital Account

1. Open a browser such as Firefox or Google Chrome on your computer
2. Go to <https://www.lynnfieldlibrary.org/rbdigital/>
3. Click on the RBdigital logo and select **REGISTER** in the right-hand corner of your screen
4. Complete the registration form including a username and password of your choice along with your Lynnfield Library barcode and PIN #
5. Select **REGISTER** to complete your account set-up

7-Day Streaming Pass

- Each patron may use one 7-day pass for one streaming service per week
- A pass gives you unlimited access to that service's entire content for one week to watch as much as you'd like
- Once you select a pass, you will not be able to borrow from another service until one week has passed
- You will receive circulation alerts to your RBdigital account's e-mail address regarding the status of your 7-day pass

How to Stream on your PC

Once you've created your RBdigital account and are logged in, you can select from any of the available streaming services to view a TV series, movie, documentary, or online course on your computer:

- On the RBdigital dashboard, select a streaming service you would like to view content from
- For example, if you would like to view a TV series on AcornTV, select AcornTV from the RBdigital dashboard and follow the prompts to check-out a 7-Day pass
- From the dashboard you will be brought to the AcornTV streaming website where, as long as you are logged into your RBdigital account, you can view as many episodes of a show as you'd like
- Once your 7-Day pass expires, you immediately have the option to check-out another pass
